My Aunt and Uncle Showed Me What My Pussy Was For

AS A BUDDING WOMAN, I like spending time with my Aunt Pamela and Uncle George. They're very fun and exuberant people; a real joy to be around.

And it makes me feel free, because now that I'm an adult, I don't need to rely on my parents to go to their house.

Aunt Pamela is open and free, walking around in skimpy outfits and always talking about how much she likes good sex.

And Uncle George is not shy about going shirtless around me.

His tall build and attractive chest do something to my young, delicate pussy that, until last night, I didn't understand.

What happened was, Uncle George and Aunt Pamela showed me what my pussy was for.

I went over for one of my usual visits. Uncle George was sitting on the couch, shirtless in a pair of tight jeans.

His firm muscles and big bulge had my innocent pussy drooling.

Auntie was in the kitchen and Uncle asked me to sit on his lap, which I used to do all the time.

But this time it felt different. It felt much better.

I started to feel my hips convulse. I tried to hide it, but I couldn't. And when my uncle put his hand on my waist, that just made it worse.

At that moment Auntie came out from the kitchen and saw me. I said that I didn't know what was wrong with me, and she said that nothing was wrong.

She said that I was turning into a woman, and that they could help teach me about it.

She recommended that I sit facing him, straddling him.

I was wearing pretty tight shorts, and when I did that, I could feel something hard against my pussy.

I looked down to learn that he had a raging hard-on in his jeans. I had never experienced anything so hard and so good. It felt incredible against my tender cunt.

My gyrations got stronger as I rubbed up and down the very large bulge in his pants.

I said that it felt really good, and Uncle said that it would feel much better if we were naked.

I was very apprehensive, but I couldn't stop.

Auntie helped me out of my top and bra, and then I pulled down my shorts while Uncle slid his pants off.

I was in just my panties, admiring at his statuesque cock.

Auntie got down to her bra and panties, and then as she was shucking her bra, she said that a good way to start would be to suck him.

I went to my knees and took him in my mouth, and Auntie showed me how to give head.

I loved it! His cock was rock hard and trembled against my tongue. And I could tell from his moans that he was enjoying it also.

Auntie dropped her panties and sat next to him, fingering her swollen cunt while my mouth bobbed up and down on my uncle's dick.

I would've kept sucking him if Auntie hadn't said that I needed to sit on his cock.

He was so big, and I was nervous when I pulled down my undies and noticed how small my pussy looked next to his gigantic dick.

Auntie said that my young pussy could easily stretch around his cock, and she was right.

He felt amazing going into me, and my little pussy swallowed up every inch.

I came while riding him, and then we switched to doggy style.

I kept my pussy up in the air for him while his hard body pounded me with vigorous plunges.

Auntie was in front of me on her back with her fingers moving in and out of her naughty hole.

She loved fingering herself while Uncle fucked me, her cunt drooling with excitement.

I came again, and Uncle rolled me onto my back. I looked up at him as he held my legs open and fucked me really good.

A little while into that, Auntie sat on my face. She put her drooling pussy onto my mouth and told me to eat her, which I eagerly did.

Her juices tasted fantastic, and her clit bulged, a hot sexy pearl for me to lick and suck.

With no notice, her pussy convulsed, and as she came, she announced to Uncle that his little niece was exceptional at eating pussy.

Uncle groaned with delight and spewed into my pussy with a hot gush of sperm.

After he emptied his balls into me, I surprised them both by sitting on Auntie's face, making her eat my cum filled cunt.

We rested while Uncle recharged, which didn't take long. Then he fucked his wife while I sucked on her tits and fingered her clit.

She came a couple of times, and then Uncle shot his next load into her.

After his cock finished spurting, he pulled out and I sucked him clean. He tasted of pussy and sperm, and I loved it!

Then I hungrily sucked his jizz right out of my aunt's pussy, and I kissed her, sharing his cum.

Auntie said that I was a quick learner, and that next time Uncle will invite a friend over, and she'll teach me how to take two cocks at the same time.

I can't wait. My pussy is soaked just thinking about it.
