## **My Daughter's Moans Kept Me Awake at Night**

IT'S BEEN JUST my daughter and me on our own since my wife left us three years ago.

In that time, my daughter has grown into a beautiful and sexy woman.

I'd be lying if I said I wasn't aroused. I started to fantasize about running my fingers through her sooty black hair, holding onto her dreamy waist, and kissing her fantastic, pouty mouth.

I also imagined cupping her hefty, womanly tits and grabbing her awesome little ass.

I didn't know if she was teasing me or not, but she started wearing strapless tops and miniskirts. And it was like she had thrown away all of her bras because she stopped wearing them.

Whenever she was near me, the peaks of her gigantic, perky spheres were always large and upright, poking right at me.

On top of all this, she began to make noises in her bedroom at night. Sexy noises. Dirty noises!

It turned me on so much.

Our bedrooms share a thin wall, and I could hear everything, cute little moans, heavy breathing, and the sound of her slapping her own pussy.

And the screams, oh my God, those screams made me come instantly.

It was better than any porn I could've been watching.

Then one night I got carried away and started grunting, loudly right along with her. I had an amazing release and so did she, moaning, "Daddy, daddy," in her room.

I lay in stunned silence for a while, and then through the wall I said that I loved listening to her and that this is a healthy release for both of us.

She was dead silent behind the wall, and I talked about the freedom this would give us, and then I said that she was a sexy young woman and that I was proud to have such a vibrant girl for a daughter.

Suddenly, the door to my bedroom opened, and my daughter came in and lay in bed next to me.

I turned towards her, and I saw the longing in her eyes as she ran her hand through my body, going down until it reached between my legs.

I couldn't help but groan as she touched my overly sensitive cock. A moment later, I had a thick erection.

It usually takes me a while to rebound like that, but my daughter made it so easy.

She didn't waste any time going down on me, licking her tongue along my shaft, from my balls up to my crown, before she took me into her mouth.

I told her that this hadn't been the kind of freedom that I had in mind, and when she paused and looked up at me, her mouth full of my cock, I said, "But that doesn't mean I want you to stop."

She gave me an amazing blowjob, and after several minutes, she sat on my cock, kissing me like a sex crazed woman, and saying, "Your hard cock makes my pussy good and wet, daddy."
